

CITY HIGH SCHOOL LITTLE HAWKS CLUB

August, 2011

Dear City High Parents & Friends,

I am writing to introduce you to the work of the Little Hawks Club and welcome you to join our efforts.

The Little Hawks Club contributes over \$75,000 *yearly* for our student-athletes ***in all sports***. Recent purchases include soccer jerseys, shorts, balls; basketball travel gear, freshman uniforms; XC warm-up jackets and pants; cheerleading uniforms, bags, tumbling mats; swim caps, training fins, stopwatches; bowling shirts & practice time costs; football replacement pads, jerseys, travel bags; golf balls, shirts; softball infield materials, bats; tennis warm-ups, \$1300 worth of tennis balls; track warm-ups, replacement uniforms; volleyball jerseys, travel gear, \$1440 worth of volleyballs; wrestling singlets, sweats and this is a small portion of what we purchase for all athletic teams.

Little Hawks Club also donated a significant amount towards the City High Stand-up for City High Press Box/Restroom Renovation this past year. The extensive equipment and replacement uniforms would not be available through school district funds. We raise these funds to ***support all athletes at City High and South East Junior High***. We believe that the successes our children have enjoyed are due, in part; to the support we are able to provide. We want to keep school sports accessible and affordable.

To support our student athletes, you can help in the following ways:

- **Join** the Little Hawks Club for a basic annual fee of \$25!!
- **Make a tax-deductible contribution** to the Little Hawks Club at a higher membership level.
- **Purchase** All-Sports Pass and punch cards along with your membership. **If you purchase through Little Hawks Club, a portion of this money returns to CHS and SEJH.** (General admission paid at the gates goes to the ICCSD general fund.)
- **Purchase** your CHS or junior high student an athletic activity card at school registration.
- **Encourage** your child to participate in extracurricular sports. They will learn accountability, managing their time, become part of a team, get exercise, sleep better, and make friends.
- **Volunteer** It's a great way to network with other parents, have fun, and support your children.
- **Buy** a BOOST coupon book for \$25 – worth over \$150 at Iowa City businesses.

Help us maintain the ***legacy of excellence*** of City High School and South East Junior High athletics!

Scott Hansche
Little Hawk Club President 2011-2012
